MISSION STATEMENT

To develop and keep pace with the growth of the golf industry in the Asian region on a multi-tiered level.

BRAND PROMISE

To work on a universal platform with all of its members to deliver a level of service and expertise to the industry and to work towards achieving a recognized global standard in Asia. To also work towards offering professional leadership, development, ethical standards and responsive services.

OBJECTIVES

- To represent the entire industry as an advocacy / lobby group.
- To effectively communicate with all members, governments, the media and the general public and to maintain effective communications vehicles to help deliver the Federation's messages.
- To provide educational programmes (special events, seminars and workshops) and materials to meet the diverse educational needs of the entire cross-section of the membership base.
- To enhance the professional status of members with proper industry-recognised certification.
- To encourage high ethical standards and business codes in all dealings, with members, the industry and governments.
- To interpret and report on changing social, government and economic conditions affecting the industry.
- To recruit and retain members and to manage the AGIF in a manner that will effectively represent the views of all its members.
- To conduct research and develop, analyse and disseminate information/data related to all operational matters relating to the industry.
